

Our Ref: UKWR C1-2021

20 January 2021

TO THE MEMBERS

Dear Sirs

RENEWAL OF THE ASSOCIATION'S COVER FOR THE POLICY YEAR COMMENCING 20 FEBRUARY 2021

We are writing to advise Members of the decisions made by the Directors of the Association and UK P&I Club N.V. ("UKNV") on the rates, terms and conditions for the 2021 Policy Year. Members are reminded that, as previously advised in the Association's Circular C4-2020, under the fronting arrangement between the Association and UKNV, the latter will issue contracts of insurance for ships entered or renewing after 1st January 2021 which are flagged in EEA countries.

Key points:

- **Advance Contribution rates for 2021 to remain as per 2020.**
- **A Discretionary Continuity Credit will be made to renewing Members who have maintained their entry for the entire 2020 Policy Year. A total of US\$2 million will be paid from reserves, and each Member's total return will be determined by their insured values. See page 3 of this Circular for further details.**
- **Optional War Loss of Hire cover will continue to be offered.**
- **Contraband / Drugseize cover will continue to be offered. This optional insurance covers loss of hire when a ship is detained or seized, when drugs or other contraband are discovered onboard (see pages 5 & 10 of this Circular for further details).**
- **The Chemical, Biological, Bio-Chemical and Electromagnetic Weapon and Radioactive Contamination and Nuclear Risks Exclusion Clauses will not apply to the first US\$50 million of claims in the annual aggregate across the membership.**
- **As in the 2020 Policy Year, US\$50 million of annual aggregate cover across the membership will continue to be provided where the Computer Virus Exclusion Clause does not apply. However, the wording for the coverage in excess of this amount has been amended as by the addition of clause 1.3, which is set out on page 4 of this Circular. This simply affirms the coverage provided by the Club.**
- **Cover now incorporates LMA5395, the Coronavirus exclusion clause, which is outlined on page 4/5 of this Circular.**

ADVANCE CONTRIBUTIONS

At their meeting on 13 January 2021, the Directors reviewed the financial position of the Club including the performance of the current policy year, and decided on the rates for the 2021 Policy Year. They agreed that the Advance Contribution rates should remain at the same level as in 2020; a similar decision was also taken by UKNV, which will underwrite all EEA risks. From Noon GMT 20 February 2021, the rates will therefore be as follows:

Entered ships qualifying for Government reinsurance – WW1

Passenger Cruise Ships	Other Ships
Worldwide trading 0.0081%	Worldwide trading 0.0032%

Entered ships not qualifying for Government reinsurance – WW2

Passenger Cruise Ships	Other Ships
Worldwide trading 0.009%	Worldwide trading 0.0036%

The Directors have also decided that:

- the Advance Contribution rates will be discounted by 50 per cent in respect of insurance under Rule 3 (Freight, disbursements and/or increased value, premiums and/or other interests).
- the Advance Contribution rates will be discounted by 50 per cent for ships which trade exclusively for the whole Policy Year within one of the following “restricted trading” areas:
 - USA and Canada, excluding Panama Canal transits
 - Australasia
 - Europe, not south of Gibraltar and excluding Mediterranean and Black Sea.
- the Advance Contribution rates will be increased by 50 per cent for those ships requiring Blue Cards for war and terrorism risks as required by Regulation (EC) No 392/2009 (Passenger Liability Regulation (“PLR”)) and/or the 2002 protocol to the Athens Convention. Members will need to specifically apply for this cover.
- the Advance Contribution will be called pro rata daily and will be payable in one instalment, debited on 20 February 2021.

The Directors will keep the level of contribution under review during the Policy Year.

DISCRETIONARY CONTINUITY CREDIT

The Directors have decided that at this renewal, in view of the Association's level of free reserves, which are well in excess of regulatory requirements, a return to the membership will be made by way of the payment of a Discretionary Continuity Credit on the following basis:

A total of US\$2 million will be returned to Members who have maintained an entry throughout the 2020 Policy Year and whose entries are renewed and maintained in full for the 2021 Policy Year. The Discretionary Continuity Credit will be determined by reference to Members' individual insured values and is not otherwise linked to the level of premiums paid by each Member. The Managers will be contacting Members as to the level of their return on an individual basis.

BROKERAGE/COMMISSION

Advance Contribution

If ships are entered in the Association through a broker, brokerage of 20 per cent will be payable on the Advance Contribution rates listed above, less any allowances for Rule 3 or restricted trading discounts. If ships are entered in the Association directly, commission of 20 per cent, calculated on the same basis, will be payable to the Member. The Advance Contribution rates listed above are shown before the application of 20 per cent brokerage / commission.

Additional Premiums

Where Additional Premiums are placed on the Association's main reinsurance contract, a discount of 30 per cent will be payable. If the ships are entered in the Association through a broker, the discount will be payable to the broker. If the ships are entered in the Association directly, the discount will be payable to the Member.

PROVIDED ALWAYS that:-

- (i) neither this clause nor Rule 4E.2.3 shall apply if the Insured Owner shall prove that the failure to comply with any statutory requirements of the state of the Entered Ship's flag relating to the ISPS Code and/or the failure at all times to maintain the validity of any statutory certificates issued by or on behalf of the Entered Ship's flag in relation to the ISPS Code arose without the fault of the Insured Owner or the managers of the Entered Ship; and
- (ii) the Directors may authorise payment of a claim, either in whole or in part, which would otherwise be excluded by the provisions of this clause, if in all the circumstances the Directors shall in their sole discretion see fit.

CLARIFICATION OF COMPUTER VIRUS EXCLUSION (RULE 4D.7 REFERS)

The Managers wish to advise that the exclusion within Rule 4D.7 relating to computer viruses shall not operate to exclude or limit losses (which would otherwise be covered under the terms of this policy) arising from the use of any computer, computer system or computer software programme or any other electronic system in the launch and/or guidance system and/or firing mechanism of any weapon or missile.

For the 2021 Policy Year, the exclusion clause will include the following additional provision:

CORONAVIRUS EXCLUSION CLAUSE

For the 2021 Policy Year, the terms and conditions of insurance of every Member shall incorporate and be subject to the following Coronavirus Exclusion Clause:

This clause shall be paramount and shall override anything contained in this insurance inconsistent therewith.

This insurance excludes coverage for:

- 1) any loss, damage, liability, cost, or expense directly arising from the transmission or alleged transmission of:
 - a) Coronavirus disease (COVID-19);

All other terms, conditions and limitations of the insurance remain the same.

OPTIONAL ADDITIONAL COVER

War Risks Loss of Hire Insurance

The Association will continue to offer War Loss of Hire Insurance for the 2021 Policy Year. This is an optional additional insurance, which Members will specifically need to request. It is offered under Rule 2 Part G and subject to the wording set out in Appendix A to this Circular, the Rules otherwise remaining unchanged. Application forms are available from the Managers.

Premium rates will be the same as the gross Advance Contribution rates set out on the second page of this Circular and will be calculated on the total sum insured for loss of hire. Coverage will, unless otherwise requested, be for 90 days at the declared daily rate any one occurrence, limited to 90 days in any one Policy Year with longer (or shorter) periods available on application. In non-Additional Premium Areas, cover extends to Section B risks (which include piracy risks), whether or not a ship has suffered damage necessitating time off-hire for repairs. For loss of hire Additional Premium, Members can elect whether to maintain this cover or exclude piracy risks at a lower rate. A 7 day deductible will apply (0 days for Section B risks).

Depending on the area, Additional Premium declarations which include Section B risks will be charged at either the ship's hull value or a rate 2.5 times that levied on the ship's hull value. Members should see Circular C2-2019 for further details. Should Members wish the Additional

Premium declarations to exclude Section B risks then the rate will be the same rate as that levied on the ship's hull value. Annual cover must be purchased for Additional Premium cover to be available.

Members who wish to purchase this additional coverage should contact the Managers in the normal manner, advising the number of days' cover required and the daily indemnity rate. There will be a maximum combined single limit of USD 1,000,000,000 for hull, hull interests and loss of hire amounts. Members are asked to note that no commissions will be allowed on loss of hire premiums, whether on Advance Contribution amounts, or for Additional Premiums.

The Association will also offer insurance which covers hire lost when a ship is detained or seized when drugs, or other contraband, are discovered on board. This is an optional additional insurance, offered under Rule 2 Part G. The cover wording can be found at Appendix B to this Circular.
