TO THE MEMBERS

Dear Sirs

**WAR RISKS LOSS OF HIRE INSURANCE – REDUCTION IN THE
ADDITIONAL PREMIUM CHARGED FOR SECTION B
(ENHANCED / PIRACY) WAR LOSS OF HIRE INSURANCE IN CERTAIN
ADDITIONAL PREMIUM AREAS FROM 20 FEBRUARY 2019**

We are writing to advise Members that with effect from Noon GMT on 20 February 2019, there will be a reduction in the Additional Premium charged for Section B (enhanced/piracy) War Loss of Hire Insurance in certain Additional Premium Areas.

The Association offers War Loss of Hire Insurance, which is an optional additional insurance, under Rule 2 Part G and is subject to the wording set out in Appendix A of Circular UKWR C1-2019, Rates and Terms for the 2019 Policy Year. Members specifically need to request this additional insurance.

Annual premium rates charged for War Loss of Hire Insurance are the same as the gross Advance Contribution rates set out in Circular UKWR C1-2019 and are calculated on the total sum insured for loss of hire.

In non-Additional Premium Areas, this cover extends to piracy risks, whether or not a ship has suffered damage necessitating time off-hire for repairs. For war loss of hire cover in Additional Premium areas, Members can elect whether to maintain this cover or exclude piracy risks at a lower rate.

For some time now, Additional Premium declarations including piracy risks have been charged at a rate 2.5 times that levied on the ship's hull value.

With immediate effect, Additional Premium declarations including piracy risks for areas other than as listed below will be charged at the same rate as the ship's hull value and piracy risks will be included at no extra premium.

The areas where piracy risks will remain chargeable at a rate 2.5 times that levied on the ship's hull value are as follows:

- Benin
- Gulf of Guinea, but only in respect of the area enclosed by:
 - On the northern side the coast of Benin, Togo and Nigeria
 - On the western side a straight line from the border, on the coast, of Ghana and Togo to position Latitude 3° North, Longitude 1° 10' East
 - On the southern side a straight line from there to position Latitude 3° North, Longitude 8° East
 - On the eastern side a straight line from there to Latitude 4° North, Longitude 8° 31' East and then from there to the border, on the coast, of Nigeria and Cameroon.

The Managers would be pleased to answer any questions that may arise.

Yours faithfully
