UK War Risks Additional Premium Areas October 2020

South America

Venezuela, including Lake Maracaibo, the Orinoco River and offshore terminals

Higher risk areas, where ships are more exposed to war risks, are excluded from annual war risks cover. We offer cover for ships trading to these areas, subject to an Additional Premium ("AP").

The AP charged varies depending on the situation in the area when the ship calls there.

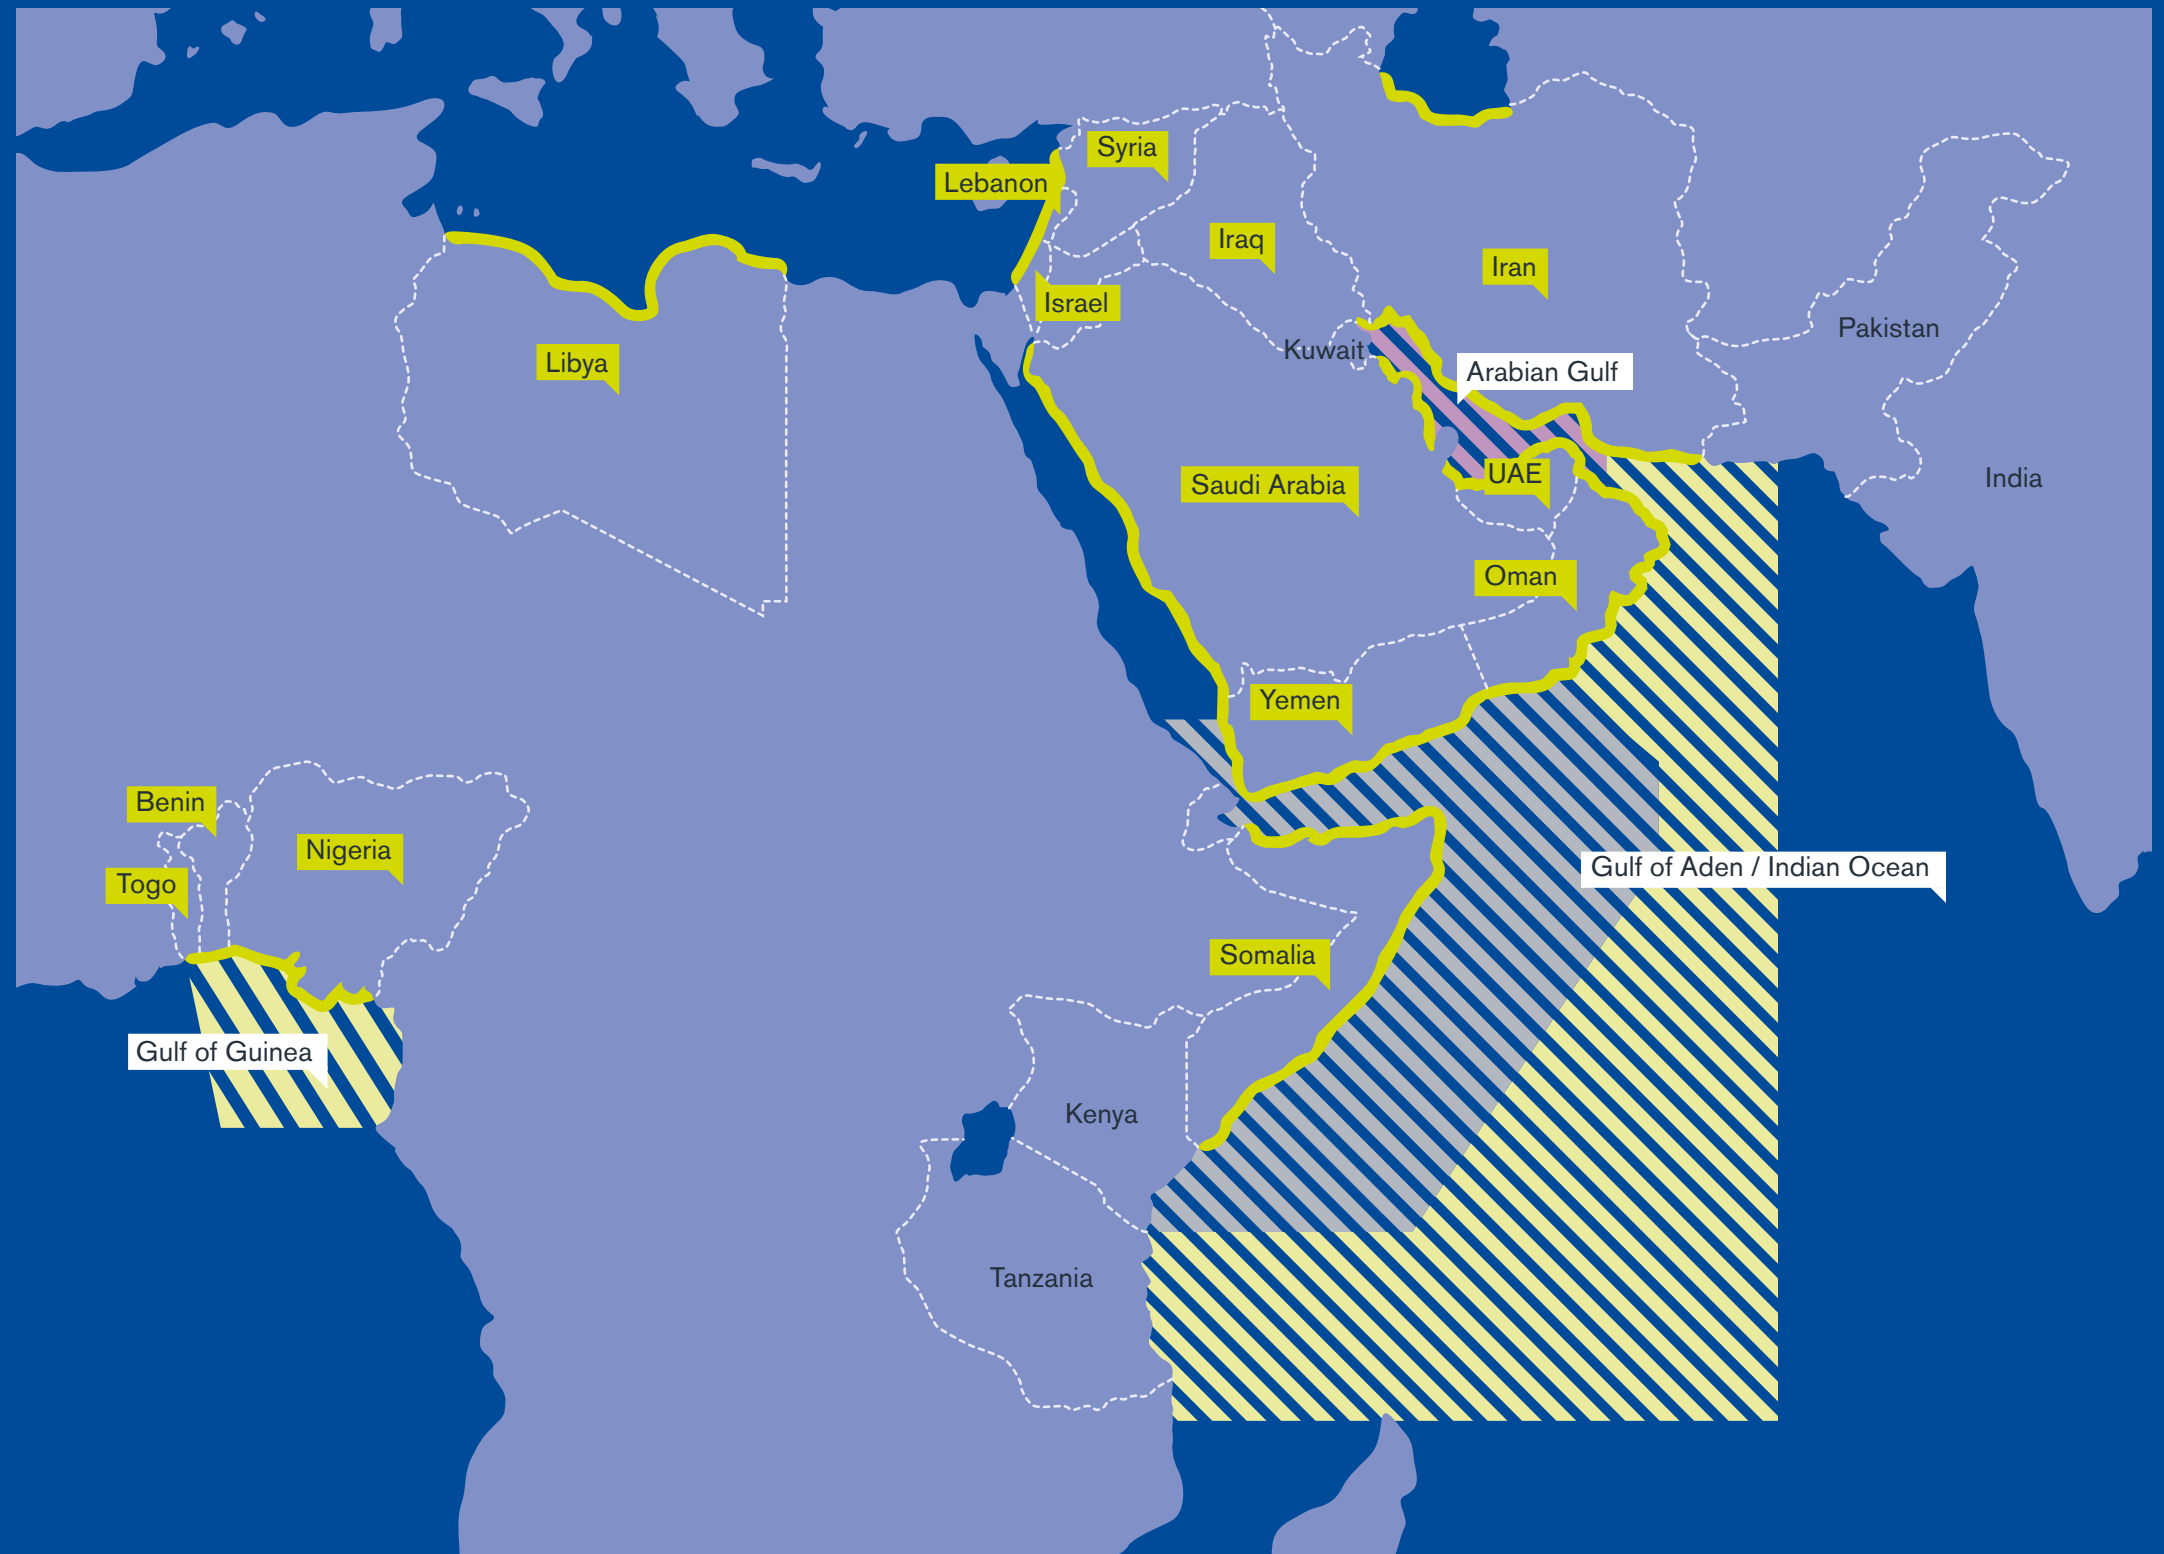

This map illustrates AP Areas worldwide as at October 2020. Changes to AP Areas may be made at short notice.

To confirm the latest list of AP Areas and full details of the ports, places, countries, zones and areas listed, please refer to the Club website ukwarrisks.com.
